If you have ticked **YES** to more than half of the above and are ready to make some changes in your life then this is for you. For the first time ever we have funding from the Westminster Adult Education Service (WAES) to offer a limited number of places on a unique free short course that will change you life for ever but don't take our word for it. **Come along and decide for yourself.**

## What is GOALS?

Ever wondered why some people are much more successful than others?

GOALS is a proven, highly effective, life changing programme that will teach you the psychology of getting a job in a way that is engaging and easy to understand. The programme has been developed over the last 30 years by experts in the field of career success and wealth creation, giving you a solid foundation to help get more of what you want and less of what you don't want. Once completed you will even have an opportunity to find a coach or mentor who will give you the support and direction you need longer term.
